RESPONSIBLE Unknown	AGE Unknown	CITY Hercules	
ARRESTED? No	CHARGE N/A	BAIL N/A	

#### SUMMARY

On November 3, 2014 at 8:33 a.m. A Hercules Police Officer was dispatched to an address in Hercules for a report of a suspicious circumstance. The Officer contacted the reporting party who told him he was checking his 8 year old son's bag of Halloween candy when he found what he believed to be a baggie of illegal drugs. The reporting party told the Officer he had taken his son Trick or Treating on Halloween night in the Promenade area of Hercules. The Promenade area of Hercules is comprised of the following Streets: Sycamore Ave., Taraya Terrace, Promenade St., Earnest St., Main St., Park St., and Railroad Ave. The reporting party gave the Officer the baggie of suspected illegal drugs. The illegal drugs were contained in a small Ziploc plastic baggie and consisted of a clear white crystallized powdery substance. The Officer tested a small sample of the clear white crystallized powdery substance and it tested positive for the presence of Methamphetamine. The Methamphetamine weighed approximately .1 grams without packaging.

We are encouraging all Parents to conduct a thorough safety check of their children's bags of candy to make sure they were not given any illegal drugs. If any suspected illegal drugs are found, please contact the Hercules Police Department at 510-799-8260 or Pinole-Hercules Dispatch at 510-724-111. Thank you.

#### PREPARED BY

Sgt. E. Tafesse #110
