

TINY TOTS PROGRAM INFORMATION

Make your child’s first learning experience a happy and memorable one with our Tiny Tots Program. This program offers 4 phases of learning to prepare your child for their upcoming school years. Staff teaches a theme-based curriculum with an academic component. Children are offered the basic learning skills of language, fine motor skills, communication skills, social development, shapes, colors, numbers and gross motor development. We enhance social and emotional development through directed activities, play and instructional material, music, and so much more. You will need to send a healthy snack in a lunch box style bag, no peanut products are allowed on site.

Children must be completely potty trained. No pull-ups.

Little Learners: Age 3 by September 1, 2016 for both programs

3 year old class- Designed to introduce 3 year olds to their first pre-school experience with an academic component. The emphasis of this class is learning how to work with others in a variety of social ways and develop emotional, physical and creative aspects of the child. **Tuesday and Thursday, 9:00am - 11:30am**

NEW Little Learners: Ages 3 & 4 (Not recommended for 4 year old going to Kindergarten following school year.)

Designed for 3-4 year old children with the emphasis on learning through collaborative play with an academic component. The children work in groups to build their Social /Emotional development through age appropriate activities.

Monday through Thursday, 9:00am – 11:30am

Pre-K: Age 4 by September 1, 2016

This program is a Kindergarten readiness program. Children will learn responsibility, independence and build confidence. We’ll introduce several basic areas: emotional, cognitive, fine motor, gross motor, social and sensory development. Our 4 year old program is also a thematic-based program with an academic component.
