## CONDUCT OF THE MEETING

Function of the Public Hearing: A public hearing enables the public to present information, opinions, and arguments relevant to the actions of the Planning Commission, and informs the public about the details of the proposal.

Public Hearing Procedure: (1) Chair opens the hearing; (2) City staff explains the application and presents a preliminary analysis; (3) Applicant speaks; (4) Persons in favor and opposition of the project speak; (6) Applicants may rebut; (7) Proponents and opponents may also rebut; (8) City staff presents its summary and recommendations; (9) Commission discussion; (10) Hearing is closed; (11) Commission votes to approve, deny, approve in a modified form, postpone, or take the application under advisement; (12) Chair informs the audience of the Commission's action, outlines the appeal procedure, and states when the action becomes final.

*The Planning Commission has decided that no public hearings will begin after 11:00 p.m., and that items still remaining on the agenda after 11:00 p.m. will be held over to the next Commission meeting.*

Persons who wish to speak on matters set for Public Hearings will be heard when the Chair calls for comments in support thereof or in opposition thereto. After the hearing is closed there is no further comment permitted from the audience unless invited by the Chair.

Speaker Registration: Persons who wish to address the Commission should complete the speaker form PRIOR to the Planning Commission's consideration of the item on the agenda. Once discussion of the agenda item begins, only those persons who have previously submitted speaker forms shall be permitted to speak on the item. Speakers will be called after the project applicant has made presentation. Anyone who wishes to address the Planning Commission on a topic that is not on the agenda and is relevant to the Commission's purpose may submit written comments at anytime before or during the meeting and will be called during the Public Forum portion of the meeting.

*In the interest of conducting an orderly and efficient meeting speakers will be limited to three (3) minutes.*

Commission Statement of Purpose: The Planning Commission typically meets the first and third Monday every month; its primary functions are to advise the City Council on policy matters in regard to the growth and development of the City of Hercules and to act on applications for development permits.

Consent Calendar: All matters listed under Consent Calendar are considered by the Planning Commission to be routine and will be enacted by one motion. There will be no separate discussion of these items unless requested by a member of the Planning Commission or a member of the public prior to the time the Commission votes on the motion to adopt.

Notification Procedure: Property owners within 300 feet of a proposal will receive a notice of the proposal at least ten (10) days prior to the public hearing. The notice lists the type of application, application number, brief description and location of the project, and the applicant. The City of Hercules subscribes to a service that uses the property owner information from the most recent data on the Contra Costa County Tax Assessor's rolls. Please be aware there often is a time lag for both the tax rolls and this service to be updated.

The Planning Commission Agenda is posted at least 72 hours prior to the Planning Commission meeting at City Hall, the Hercules Swim Center, Ohlone Child Care Center, Hercules Post Office,
