MEASURE A – UTILITY USER TAX “FAQ”

The City of Hercules Fiscal Accountability/Services Protection Measure will be Measure A on the June 4, 2013 Special Election ballot. This measure is an update and temporary 2% increase in the City's Utility Users Tax for five years. If passed, the funds generated will be adequate for the City to balance its annual budget and maintain our own Police Department. For a list of frequently asked questions and the answers, check the City website or e-mail the City Manager at sduran@ci.hercules.ca.us. Also, if you would like to have someone answer questions at your HOA, club or other group setting, please e-mail the City Manager.

HERCULES MUNICIPAL UTILITY DISPOSITION SCHEDULE

The City's negotiations with Pacific Gas & Electric Company for the sale of Hercules Municipal Utility to Pacific Gas & Electric Company are proceeding pretty close to schedule and staff

anticipates having an Agreement on the City Council agenda for consideration in May. Once the City and PG&E has executed an agreement, we will be filing for approval of the sale with the Public Utilities Commission. While we will request an expeditious review, it is anticipated that PUC approval will take anywhere from six to 18 months.

AMBAC LAWSUIT AND OLIVER NOTE UPDATE:

Ambac and the City have extended the performance date on the court approved stipulation to May 12, 2013 and are negotiating an amended stipulation to further extend for time and to provide for the requirements of AB 1484. The property attachment that is part of the current stipulation is set at \$6.5 million, but the amount due at closer to \$5.5 million. Staff and Ambac met with the Department of Finance staff in Sacramento on April 15 to discuss the disposition of properties owned by the City as Successor Agency and expediting the approval of real estate to meet the requirements of the court approved stipulation that former Redevelopment Agency properties are sold expeditiously.

The properties in question include Sycamore Crossing, which is in contract with Property Development Centers/Safeway to build a Safeway anchored Shopping Center, Victoria Crescent, which is in contract with City Ventures to build single family detached homes for sale, and Parcel C, which is out of contract and being marketed for all potential uses. Any proceeds of these sales will go toward financial obligations of the obligations the former Redevelopment Agency. Although no sales proceeds will go to the City, the fees, sales tax and utility user tax that will be created by the development of these properties will go a long way toward stabilizing the City's finances over time.

In the case of Parcel C, there is a note and deed of trust in favor of Oliver Company, with over \$2 million past due as of March 31, 2013. Staff is in discussing an extension of the time to meet this obligation; but in any case, the sale of this and the other properties needs to be done expeditiously or the City risks losing control of the dispositions or even losing the properties and/or having the Ambac suit proceed to trial.

REAL PROPERTY PROJECT UPDATES

Town Centrale: Presidio Development Partners proposes to finish construction on the Sycamore North project, now called Town Centrale, as a mixed-used project with approximately 140 apartments, four live-work units, and approximately 12,000 sq. ft. of ground-floor retail space, with 166 on-site parking spaces. All entitlements are in place and Presidio was scheduled to close in February; however, asked for additional time to deal with recent cost estimates that significantly exceed budget and necessary easements they have not been able to obtain. On April 9, 2013, the City Council approved an amendment to the Purchase and Sale Agreement (PSA) to extend the close of escrow until July 31, 2013 to provide time to obtain construction and emergency access easements on "R Alley" adjacent to the property and to give the buyer time to value engineers the project to reduce costs.

On Wednesday, April 17, Mayor Delgado and I met with the Bayside HOA to provide information on the adjacent project and explain the need for construction and maintenance easements. We answered a lot of questions and I sent the HOA management company an easement agreement drafted by the buyer to get discussions started.

Sycamore Crossing: A Purchase and Sale Agreement (PSA) was entered into with Property Development Centers (PDC) in January. PDC is a wholly owned subsidiary of Safeway and plans to build a 55,000 to 65,000 Safeway store and gas station near San Pablo Avenue, with another junior anchor, restaurant and shop space to compliment the supermarket.

Since PDC/Safeway is now proposing a podium or roof-top parked store on the non-deed-restricted 3.5 acre parcel on the site, right at the corner of Sycamore and San Pablo Avenue. Staff will be recommending an extension of the existing Purchase and Sale Agreement (PSA) to the City Council on April 23 to provide time to negotiate a substantive amendment to address several issues, including but not limited to: the increased cost of podium or roof-top parking construction versus a one story store; and impacts of AB 1484 that affect the project timeline due to required state Department of Finance approvals that were not required when the PSA was negotiated.
