## **PLANNING UPDATES**

**Measure J Local Street Maintenance & Improvement Funds.** Measure C was approved in 1988 as a ballot measure to authorize a half-cent sales tax increase for gasoline sales in Contra Costa County. The funds raised with this special tax have been used for road, highway, and transportation infrastructure maintenance and improvements within Contra Costa County. Measure C expired on March 31, 2009, but Measure J (approved by voters in November 2004) extended the half cent sales tax until the year 2034. By demonstrating every two years to the Contra Costa Transportation Authority (CCTA) compliance with the Measure J Growth Management Program through approval of a Compliance Checklist, the City ensures its ability to receive its share of Measure J Return-to-Source gas tax dollars (Local Street Maintenance and Improvement Funds). For Fiscal Years 2011–12 and 2012–13, these funds amount to \$348,717 and \$356,605, respectively. On Tuesday, December 2, staff presented the City’s Compliance Checklist for FY 2011–12 & FY 2012–13 to CCTA’s Citizen’s Advisory Committee, which voted unanimously to recommend approval of the City’s compliance with Measure J. The CCTA Board will consider Hercules’ compliance at its meeting on January 15. Approval will ensure the City receives its approximately \$705,000 share of Measure J local street maintenance & improvement funds.

**Meeting cancelled.** Please note in the Planning Commission meeting scheduled for January 6, 2014 is cancelled.

## **REAL ESTATE PROJECT UPDATES**

**Victoria Crescent:** The proposed residential development by City Ventures at the approximately 6.5 acre Victoria Crescent site on San Pablo Avenue was approved by the Planning Commission on December 2, and the City Council on December 17, 2013. The second reading of the relevant ordinance is scheduled for January 14, 2014.

The state Department of Finance (DOF) has approved the \$2,125,000 sale of the 6.5 acre Victoria Crescent site to City Ventures, as well as the \$5,000,000 sale of the 11.5 acre Sycamore Crossing site to

Safeway subsidiary Property Development Centers and the \$8,000,000 sale of the approximately 17 acre Parcel C on John Muir Parkway to Lewis Land Developers. Sale of these former Redevelopment Agency sites is required under the legislation that dissolved redevelopment agencies statewide is also necessary for the payment of a Redevelopment Agency debt to redevelopment bond insurer Ambac and other debts of the Agency.

### **Sycamore North:**

Presidio Development Partners, which is in contract on the property, proposes the “Towne Centrale” project as mixed-used with approximately 140 apartments, four live-work units, and approximately 12,000 sq. ft. of ground-floor retail space.

**“R Alley” Issue.** Originally, the Buyer was to have negotiated an easement agreement with the Bayside Home Owners Association. The Buyer, however, was not successful in obtaining the necessary easement from the Bayside Home Owners Association and has asked the City to assist with this matter. In March of 2013, the City commenced a discussion with the Bayside HOA for acquisition of a public right of way on “R Alley” in order to provide emergency access to the project and to allow for the issuance of encroachment permits for construction and maintenance. The City was unable to get the HOA to negotiate a reasonable agreement and has pursued an eminent domain action that is proceeding through the court process. The HOA has recently hired real estate counsel in this regard and settlement negotiations are in progress. I have scheduled a closed session discussion on this legal issue for January 7, 2014.

**Eleventh Amendment.** The Department of Industrial Relations has determined that the proposed Towne Centrale project is not a public works project and the buyer/developer has agreed to increase the sales price by way of an 11<sup>th</sup> and, hopefully, final amendment to the Purchase and Sale Agreement. I have scheduled a closed session discussion on this real property negotiation for January 7, 2014. Staff hopes to have the 11<sup>th</sup> Amendment ready for City Council consideration at the January 14<sup>th</sup> City Council Meeting.
