This year’s surprise has been the Lupine Kidz center RAP program. TK-5th has a waiting list! It has been about 8 years or more since this facility been full. We’re in the process of adding another Leader so we can open a class of 14 children and another class of 1st -5th grade kids to take us to 28.

The Ohlone and Hanna RAP programs are full too, this is starting out to be a busy year and its only day 2 of the school year.

Tiny Tots Programs (Preschool)

The Tiny Tot program is getting ready to begin August 27 and 28. Staff have been getting their classrooms ready for the new school year. We moved the Pre-Kinder class to Lupine last year. Families had been requesting another location in town for Preschool and this worked out great.

The Preschool enrollment for this school year was slow. It has also been up and down as people work to figure out their new schedules. Currently we have two full classes, the Jr. K and Multi-Age groups. The Pre-K and Little Learners classes still have openings. We're hoping to get the rush at the start of the school year for these two classes. We'll know more in a couple weeks.
