### **Movie Night Success**

Our final movie of the summer was held last Friday, September 13, at Refugio Valley Park. Approximately 282 people showed up to watch Hiccup and Toothless discover an ice cave that is home to hundreds of new wild dragons and of course battle a mysterious **Dragon** Rider all to protect the peace in How to Train Your Dragon 3. In addition to the movie, the Storywalk book

was a great complement to the dragon theme with a book titled Dragons love Tacos. Because of the tie in with Dragons we felt compelled to bring a food truck in to sell tacos! Thanks Taqueria Esperanza!

The Parks and Recreation Department would like to thank Lynne Noone and the Library staff for the great partnership that has been created. The Storywalk idea has been very well received and the books they have chosen are a great compliment to the featured movie. Additionally we'd like to recognize and thank the Police volunteers who have brought out the mobile lights to help movie goers get out of the park safely at the conclusion of the events.

Our next event will be Trunk or Treat, which will be held Friday, October 25, at the Community Swim Center. More info will come out in the weeks to come. There will also be a movie involved with this event.
