

Dynamite Adventure

K-7th

Welcome to Fall Camps !

To start camp follows all of the State and County Health Department requirements including: daily temperature checks, frequent hand sanitizing, everyone needs to wear masks, and no contact drop-off & pick-up. Camps have limited space. Enrollment is contingent upon our ability to staff the pods, meet the minimum age appropriate enrollment number, and the completion of all registration paperwork, including payment in full for each block registered. *REFUNDS: There will be no refunds unless the City must cancel because we cannot staff, or don't get the enrollment minimums. In which case a full refund will be given.

Note we will continue with programs starting January 11, 2021; we anticipate a new Health Order from the State and County. We will modify guidelines whenever the Health order makes changes.

Dynamite Adventure Camp

Dynamite Adventures is a recreational program where participants will have a chance to play games outside, do art/crafts, socialize with friends and even work on homework. Dynamite Adventures is a safe environment for kids to be active in a stable bubble with a group size up to 14 per pod. Participants will need to bring their own mask, snack and water bottle. This camp is about being with our friends! Dynamite Adventures will be held at Hanna Kidz Center. *K's: Must be entering kindergarten 2020-2021 School year.
