CITY MANAGER'S OFFICE

City Manager 2016 Year In Review Letter

To help keep our residents informed, I have sent all Hercules households an update letter looking back at 2016 and previewing some exciting things which will be happening in 2017. The letter is available here as well: [2016 Year in Review Letter](#). I hope you enjoy the update.

Path to Transit Opening and Bayfront Celebration

The second phase of the Hercules Regional Intermodal Transportation Center called the Path to Transit is nearly complete. The Path to Transit phase extends John Muir Parkway and connects to Bayfront Boulevard with a new bridge across Refugio Creek, together with the restoration of Refugio Creek and a new Creekside trail. The ribbon cutting ceremony for these grant funded improvements will take place on Sunday, March 5th at 11:30 AM. The ribbon cutting will be followed by the Bayfront Celebration along Bayfront Boulevard with a car show, Food Trucks, entertainment, and informational booths until 2:30 PM. Watch for more information and come down to enjoy improved access to the Bay and celebrate the completion of this important investment in the future of Hercules.

Future Bus Service Community Meeting

With the completion of the Path to Transit project, the City and WestCat are looking to introduce bus service to the Bayfront later this year. We are planning a community meeting for later in February or March to solicit community input on short and long-term bus service, both local and regional, in the west side of town north of San Pablo Avenue and west of John Muir Parkway. This is part of the City's on-going General Plan Circulation Element update as well. Once a date is sent, we will be sending out information to those who live in the area and the community in general.

Remembering Former Council Member Bill Kelly

Bill Kelly, who completed his four year term as a Hercules City Council Member on December 13th, and who chose not to seek reelection, passed away on Monday, January 23rd. Council Member Kelly will be long remembered for his service and commitment to the City of Hercules and the community. His many accomplishments as a Council Member were articulated in a proclamation he was presented at his final City Council meeting:

**PROCLAMATION HONORING COUNCIL MEMBER BILL KELLY
2012 - 2016**

WHEREAS, Bill Kelly has had a career both in law enforcement and as a lawyer and was elected to the Hercules City Council in November 2012; and

WHEREAS, Council Member Kelly served on the Council's Subcommittee on Public Safety and Traffic and the Council's Subcommittee on Economic Development and also served on the Board of the East Bay Economic Development Alliance which raised the profile of the City of Hercules in the East Bay as a place for business investment; and

WHEREAS, Council Member Kelly was the City's delegate to the East Bay Division of the League of California Cities and represented the City with the Association of Bay Area Governments; and

WHEREAS, Council Member Kelly was actively engaged in the sale process for the Sycamore North project, which secured Carmel Partners as the developer and which resulted in the completion of the long moth-balled project known locally as the "White Elephant" to the very successful Aventine apartment community; and

WHEREAS, together with his colleagues, Council Member Kelly successfully resolved issues related to the AMBAC litigation which threatened the City's financial situation and allowed for the successful disposition of former redevelopment assets; and

WHEREAS, during his term on the Council, the City, with grant funding, completed the Bay Trail and Path to Transit phases of the Regional Intermodal Transportation Center; and

WHEREAS, during his tenure the City secured the renewal of two local tax measures necessary to sustain services and made progress on the path to financial sustainability by producing balanced budgets, boosting reserves, beginning to reinstate employee wage and benefit concessions, and reestablishing a level of investment in infrastructure.

NOW THEREFORE BE IT PROCLAIMED that I, Dan Romero, Mayor of the City of Hercules, on behalf of the entire City Council and the Hercules community, do hereby recognize and honor Council Member Bill Kelly for his contributions to the City and to the community.

In witness whereof, I hereunto set my hand and cause the Seal of the City of Hercules to be affixed this 13th day of December, 2016.
