THE FOLLOWING CASES ONLY REFLECT A PARTIAL LIST OF ACTUAL CASES TAKEN. CALLS FOR SERVICE NOT GENERATING WRITTEN REPORTS ARE NOT USUALLY LISTED. ALL THOSE ARRESTED ARE PRESUMED INNOCENT UNTIL PROVEN GUILTY

Suspicious Circumstance: On April 2, 2018 at 3:29 a.m. Hercules Officers were dispatched to the to a residence in the 400 block of Sparrow Dr. for a CHP transfer of a 911 disconnect via a cell phone. Dispatch advised a male voice could be heard whispering but they could not make out what he was saying. Officers made contact with the residents of the house where the call may have originated. The residents consented to a check of the interior and exterior (backyard) of their residence. Nothing amiss was found and there were no males present. Officers also contacted the residents of the two adjacent addresses. Again, nothing was found amiss at either residence. A check of the cell phone number shows it to be associated with an out of state address. This is believed to be a “spoofed” call or a “swatting” prank attempt.

Auto Burglary: On April 2, 2018 at 7:17 AM, an officer was dispatched to 3700 San Pablo Ave. (Starbucks) for an auto burglary which just occurred. The reporting party stated an unknown person broke out the rear window of his Jeep Cherokee and stole his laptop computer and cell phone charger.

Stolen vehicle: On April 2, 2018 an employee reported his company van as stolen. The subject stated sometime between March 31st and April 1, 2018, an unknown person/s stole his 2002 Ford work van. He was delayed in reporting it as he had to get authorization from the registered owner.

Suspicious Circumstances: On April 2, 2018 at 11:00 AM, an officer was dispatched to the lobby for a possible fraud. The reporting party said on March 30, 2018 an unknown person called her and stated there was a

problem with her EBT card. He said he needed her card number and PIN to correct the problem. The reporting party provided the information but later contacted Social Services and advised them of the incident. Social Services closed her account and requested a police report before issuing a new card.

Felony Evading/ Assault on a Peace Officer: On April 3, 2018 at 12:32am an Officer was driving E/B Refugio Valley Rd. when he saw a suspicious Black Sion TC backed into the visitor's parking area/turnout. The Officer illuminated the vehicle, with his spotlight, and saw a Hispanic male adult walk over to the driver's side and enter the vehicle. The Officer turned around and drove back down Refugio Valley Rd. to check on the vehicle. The vehicle was driving W/B Refugio Valley Rd. and the Officer followed. The vehicle drove into the Hercules Swim Center parking lot in an apparent attempt to evade the Officer. The Officer followed the vehicle. The driver of the vehicle exited the Swim Center and drove back onto W/B Refugio Valley Rd. The driver failed to stop for the red light, accelerated at a high rate of speed, and drove W/B Refugio Valley Rd. The Officer activated his emergency lights and siren in an attempt to do a traffic stop on the vehicle. The driver of the vehicle failed to yield and pursuit was then initiated, W/B Refugio Valley Rd, at speeds of approximately 75 mph. The driver failed to stop for multiple red lights. The vehicle collide with the north curb of Sycamore Ave. at Refugio Valley Rd. Another Officer stopped behind the vehicle, in preparation of a "High Risk Stop". The driver of the vehicle intentionally backed into the Officer's patrol SUV (a violation of Assault with a Deadly Weapon) causing moderate damage to the police vehicle. The officer suffered "whiplash like" symptoms. An Officer observed a Caucasian adult female in the right front passenger seat of the vehicle. The driver drove E/B Sycamore, in the W/B lanes of traffic, and the pursuit continued. The driver again failed to stop for multiple stop signs as he drove E/B Sycamore Ave. Officers continued the vehicle pursuit until losing sight of the vehicle as it drove from E/B Sycamore Ave onto Clay's Lane. A short time later officers located the vehicle, on Clay's Lane over SR-4. It appeared the vehicle had collided into the cyclone fence, went down an embankment, and end in a grassy/swamp area. The vehicle was abandoned. CHP Helicopter, and a San Pablo PD K9, assisted in searching for the male driver and female passenger. The suspects were not located. The vehicle was determined to be a reported stolen, to Las Vegas Metro P.D, on March 20, 2018.

On April 3, 2018, at approximately 8:45am, a KGO (an ABC affiliate) reporter, and camera crew were filming at the crash site on Clay's Lane. The reporter observed a male and female, with muddy clothes, climb over the fence by Clay's Lane. The reporter called the Hercules Police and

related her observations. Officers responded to the area and located the two subject's. The subjects matched the description of the two suspects seen in the stolen vehicle. Both subjects were uncooperative and had to be physically restrained. Both subjects were positively identified by the original officer. The subjects were arrested for multiple Felony charges, including Assault with a Deadly Weapon; Felony Hit and Run; Resisting Arrest; Auto Theft; and Felony Evading in a Vehicle. Both suspects have refused to provide any personal information including their identities and home addresses.
