

## ***HERCULES POLICE DEPARTMENT -- WATCH COMMANDER'S SHIFT REPORT***

111 Civic Drive • Hercules, CA 94547 | Main: (510) 799-8260 | Fax: (510) 799-8281 | Dispatch: (510) 724-1111 | Website: [www.ci.hercules.ca.us](http://www.ci.hercules.ca.us)

**DATE:** April 3, 2018

**TIME:** 0700-0700

**DAY:** Tuesday

**THE FOLLOWING CASES ONLY REFLECT A PARTIAL LIST OF ACTUAL CASES TAKEN. CALLS FOR SERVICE NOT GENERATING WRITTEN REPORTS ARE NOT USUALLY LISTED. ALL THOSE ARRESTED ARE PRESUMED INNOCENT UNTIL PROVEN GUILTY**

**Supplement to Stolen Vehicle Pursuit/and Assault on Officer:** On April 3, 2018 at approximately 8:47AM an ABV& New team called Hercules Police and said they were in the area of Claeys Lane/Sycamore. They observed a male and a female, covered in mud, hop a fence. A HPD officer responded and saw the two subjects. The officer verbally commanded both subjects to stop. Both subjects were uncooperative and had to be physically detained and handcuffed. While handcuffed, the male subject began flailing about and kicking the officer. The male also banged his head against the interior of the Police car. Both subjects refused to identify themselves, but stated they were over 18 years of age. Because the suspects were involved in a traffic collision, earlier in the morning, and the male's physical altercation, both subjects were transported to the County Regional Medical Center for a medical evaluation. Both subjects were positively identified by the originating officer. After the suspects were medically cleared, they were transported to the Martinez Detention Facility. They were booked as John and Jan Doe, as they were still refusing to identify themselves.P

The male was later identified as 25 year old Austin Welch, of Henderson, NV. The female was determined to be 16 year old, runaway, from Las Vegas, NV. She was transferred from the Martinez Jail to the Juvenile Hall.

**Theft of a license plate:** On April 3, 2018 at 9:51 p.m. an officer responded to the 500 block of Bristol St. to take a report for a theft of a license plate. The reporting party said an unknown suspect stole the rear

license plate from her '13 Chevy Equinox sometime between March 31, 2018 and the time of call tonight.
