

SEWER LATERAL ORDINANCE SUBMITTAL PROCESS

- Complete **Application for Sewer Lateral Certificate**.
- Arrange for a **video inspection of the sewer lateral** with an approved plumbing contractor. Submit DVD of the sewer lateral inspection for review. For non-approved plumbing contractor, notify Jose Pacheco, Assistant Civil Engineer, at jpacheco@ci.hercules.ca.us prior to submitting the video.
- **Payment Fee: \$129.**

City will start the review of the video upon receipt of a completed application and the \$129 payment fee.

Upon completion of the video inspection review, the applicant will receive a Compliance Certificate or a Deficiency Notice. If a Deficiency Notice is issued, the property owner is required to bring the sewer lateral into compliance.
